To

The Superintendent, Central Jail,

Bangalore.

Sir,

With reference to Government Order No. G. 9060-9102/ G.E. 401-16-1, dated 2nd January 1917, and Chief Secretary's letter No. J.2317/Pris.33-17-2, dated 3rd January 1918, to the Inspector-General of Prisons in Mysore, prescribing a course of training to be undergone by me during my probationary period, I beg to report that, as per course prescribed therein, I have finished the Military, Industrial, Office and Agricultural trainings, and have also passed the Criminal Higher, Accounts Lower and Prisons Examinations.

2. Having qualified myself, I request you to recommend to the Inspector-General of Prisons to kindly move the Government for my confirmation and to grant me the increment provided for in the Annexture to the Government Order mentioned above.

3. I request that the increment may kindly be granted to me with retrospective effect i.e., from 29th November 1919, when my period of probation expired. No increment was given to me at the end of my probationary period although I had finished the Military, Office and Industrial trainings, and had also passed the departmental examination viz., the Prisons Test.

4. I beg to state that it was not possible for me to pass all the examinations within two years of my probation for, having been appointed on 27/11/1917, I had practically a single chance offered to me in the year 1919 to get through all the prescribed examinations, inasmuch as the date of the first examination held just after my appointment fell within 6 months of my joining the service. As the interval between the date of my appointment and the first examination thereafter was too short for adequate preparation, and on account of the strenuousness of the Military training which, besides the Office training, I had to undergo just after my appointment, I could not, within a short period of less than 6 months try and pass in more than one of those examinations,

viz,

24

viz, the Prisons Test. Under the circumstances, I pray that my confirmation be ordered to have effect retrospectively.

5. Finally, in consideration of the special training given to me in the several branches of Jail work, in which I tried and acquitted myself satisfactorily, as may be seen from the letters of the Chief Commandant, the Director of Industries and Commerce and of ~~the~~ Agriculture, to the Inspector-General of Prisons, and the report made by the Inspector-General of Prisons to Government on my progress, and in view of my educational qualifications, and my recent deputation with the Superintendent to some of the Jails in the Madras Presidency, I request the Inspector-General of Prisons and the Superintendent to kindly recommend me to Government for a decent start in the Department.

I beg to remain,

Sir,

Your most obedient servant,

Dewan of Mysore,

Most Honoured Sir,

The undersigned most humbly and respectfully begs to lay the following few lines before Your Excellency for gracious consideration and favourable orders.

That shortly after my retirement as Amildar of The Doddaballapur Taluk, in March, 1917, in recognition of my long and faithful service in the State, my family connection and in recognition of the qualifications of my son Abdulla Hussain Sheriff, who is a graduate of the Madras University, the Government were gracious enough to appoint him as a Probationer on Rs.75/- per mensem and attached him to the Prisons Department.

In doing so the Government laid down that the Probationer should undergo certain training and pass certain examinations and that when he fully qualified himself as such he would be appointed as Jailor on Rs. - 100-5- 125/-

Accordingly under the directions of the Government my son under-went the following trainings and acquitted himself very satisfactorily and passed the following Local Tests also:-

namely:-

1. Military Training
2. Office Routine.
3. Industrial Training including Weaving Smithy &c.
4. Agricultural Training on the Hebbal Farm.
5. Local Tests:-
    1. Criminal Higher
    2. Accounts Lower
    3. Prisons

On the completion of the above and on the recommendation of the Inspector General of Prisons he was confirmed as Jailor and as there was no vacancy in the Department he was ordered to continue as Supernumarary. As there was no definite work for him he was ordered to be in charge of the industries in the Central Jail and he is continuing as such.

A few months ago, the Deputy Jailor of the Central Jail, took furlough for two years and certain acting arrangements in the Department were made for the period of the absence of the Deputy Jailor on leave and these arrangements are continuing.

Recently in order to economise the pay of the Supernumerary Jailor, that is my son, I understand that the Government contemplate to appoint him as Deputy Jailor and the file in this connection, I understand is now before the Dewan Saheb for final orders.

When my son came to know about this he paid his respects to the Inspector General of Prinsons and laid his case before him clearly and showed his reluctance

to work as Deputy Jailor being a grade lower than that of a Jailor and the Inspector General of Prisons seems to have sympathised with him. At about the same time I came to know about the entertainment of three non-brahmin Probationers for the Revenue Department from July next and as there was no vacancy in the Department and as there was no probability of a vacancy in the near future in the Department, my son is one of the applicants for the above Probationership. But it appears that the Inspector General of Prisons is against sending my son to any other Department as he has been trained specially for the Jail Department.

The plight in which my son has been placed is this. That as there is no vacancy of a Jailor in the Department he has to accept a grade lower than that and at the same time he is not allowed to seek an appointment in any other Department in the State as he has been specially trained for the Jail Department.

At present there are two Jailors in the Department, one a Chief Jailor at Bangalore and a Jailor in Mysore and both these gentlemen have been drafted to this Department from the Police Department. In case any one of these is desirous to go back to the Department whence he has been taken to the Jail Department or otherwise provided else where then there will be a vacancy of a Jailor otherwise long long years have to pass before a vacancy in the Department occurs as both these gentlemen are young and have to put in a service of many years more. In case neither of these is willing to go to any other department my son may kindly be permitted to seek an appointment in any other

(36

department temporarily until such time as a Jailor's vacancy falls in the Department.

If there is any difficulty to order the above, I solicit that my son may be allowedto have that which he has been graciously granted by the Government, that is, Supernumerary Jailor.

Lastly, I beg respectfully to lay before Your Excellency that a Deputy Jailor is the immediate Subordinate of the Jailor and whereas the Jailor is subordinate to the Superintendent. In this connection, I beg leave to submit that the dignity of an appointment lies, more in the nature of the service that is to be performed than in the pay that the appointment carries.

When I advised my son to take up this appointment it was more in consideration of the Status that the appointment of a Jailor carried with it than anything else, and by the step under the contemplation of the Government this hope of mine, which I believe is not an extraordinary one, will be shattered, and I beseach Your Excellency to bestow your esteemed and gracious consideration in the matter and to deal with the case justly.

For which act of kindness & generosity, I shall ever feel grateful.

I beg to remain
Most Honoured Sir,
Your most obedient servant,

Bangalore.
